

*Perfect recipe for the collective kitchen*

# Ham Salad for Sandwiches

To calculate the amount needed for each food:

Base recipe quantity X number of recipes = total quantity

**PREPARATION 10 MIN**

**SERVINGS 4**

| Ingredients            | Quantity of the basic recipe | Number of recipes desired | Qty totale |
|------------------------|------------------------------|---------------------------|------------|
| Mayonnaise             | 60 ml (¼ cup)                |                           |            |
| Mustard                | 10 ml (2 tsp.)               |                           |            |
| Relish                 | 30 ml (2 tbsp.)              |                           |            |
| Chopped parsley        | 15 ml (1 tbsp.)              |                           |            |
| Cooked and chopped ham | 500 ml (2 cups)              |                           |            |

## Preparation

- In a bowl, whisk the mayonnaise with the mustard, relish and parsley.
- Stir in the ham.
- Keep up to 2 days in the refrigerator.
